Do you have more checks in the “yes” column? Then the DHMO plan* might be right for you because:

- There are no annual dollar maximums
- There are no deductibles
- Your benefits start right away: no waiting periods
- There are no claim forms to file
- You select a DHMO network general dentist to manage all your dental health care needs and he/she will refer you to visit any network specialist
- Your dentist may already participate in the CIGNA DHMO network; visit our online directory to verify!

Do you have more checks in the “no” column? Then the DPPO plan might be right for you because:

- You have the freedom to visit any licensed dentist or specialist
- You do not need a referral to visit any specialist
- Your dental plan will cover eligible dental expenses after you meet any applicable waiting periods and meet any deductibles
- Your plan is based on coinsurance levels that determine the percentage of costs covered by the plan for different types of services
